Introduction

Sue is an Associate member of Linenhall Chambers. She is a dual qualified lawyer with 19 years' experience in the insurance sector. She worked at two of the markets leading insurance law firms where she was made Partner and Technical Director developing and heading up large teams of specialists fraud lawyers. Throughout her career she has run her own case load of high value and technically complex insurance fraud cases working with leading experts in fraud including Counsel, Medics, Engineers and industry organisations.

She was called to the Bar in 2010.

Practice Areas

Personal injury

Sue will undertake both claimant and defendant work. She continues to specialise in insurance fraud as well as general personal injury litigation to include RTA, EL/PL and slips/trips including:

- LVI
- Bogus passenger claims
- Induced accidents
- Staged accidents
- Tort of deceit
- Exemplary damages
- Exaggerated injury and loss
- Fraud rings
- Fraudulent credit hire claims
- Private prosecutions
- Complex insurance arguments including non-disclosure/misrepresentation issues as well as issues arising out of insurance contracts, the Road Traffic Act and the MIB agreements
- Costs

Sue will provide drafting, advisory and advocacy services including disposal hearings, interlocutory hearings, fast track and multi-track hearings. Ancillary relief

Inquests

Sue acts for interested parties before a Coroners Court and is keen to expand this practice area.
